**ALL THE DIVISIONAL SECRETARIES/WOMEN CONVENERS:**

Dear friends,

Its a happy occasion to meet/greet you on the occasion of the International Women's Day which is on 8th of March -2022.

Its really refreshing to think of women's day celebration after a long break since the outbreak of covid-19, Delta and Omicron. Let us congratulate ourselves and also one and all around us for successfully fighting the demon.

We have been talking about women empowerment, gender equality etc etc., all these years. Now its time to sing about inspiring stories of those lady doctors, nurses who have left their family and children and spent their days and nights serving those covid patients wearing PPE kits for long hours risking their own lives. Who made someone's spouse happy some one's mother happy at the cost of their own family's happiness. We praise the services of our mothers, sisters spouse, daughters all those wonderful women who have taken care of

the families in times of horrifying situations and proved that a women can go to any extent and take any responsibility in times of need. Now we are witnessing those wonderful women may it be a Member of Parliament or a general civilian of Ukraine standing as pillars supporting their Nation in war with Russia, voluntarily ready to sacrifice their lives for their Nation. They are contributing their best and standing as inspiring personalities to the world. We can strongly voice that women have exhibited gender equality all the time, in fact at times more than their counter parts.

We request all the Divisional Secretaries and Women Conveners of your Division to chalk out the activities related to women's day celebrations.

As part of commemorating the occasion we request you to organize suitable programme of activities with all the available resources and make this day a grand success and dedicate this special day to all those heroes we have been talking about.

**Wish you all a Happy International Women's Day.**

With best wishes,

Satyasri Attili

Zonal Women Convener
